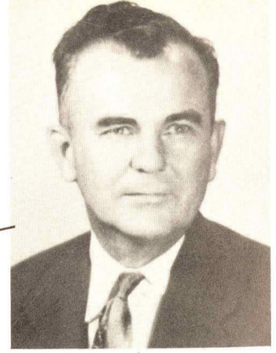
A MESSAGE FROM OUR SUPERINTENDENT



Lucedale School System
OFFICE OF SUPERINTENDENT
Lucedale, Mississippi

TO THE 1954-55 SENIORS:

Your work and your cooperation in our school, has been a pleasure to me and to the faculty. You have worked well with your fellow students: an indication that you are ready to work with society. May your future study be satisfying to yourselves and to the institution in which you work. Life will not be easy all the time, but remember that there is one who can give you comfort in your trials and temptations; put your trust in God. Prepare yourselves well and make your record one that we, your parents, and yourselves will be proud of. Best wishes for your future and fond remembrance of your school days.

Your friend,
M. A. Snowden

Kay,
I wish you
were one of the cutest
girls I know. I guess
you know you are one
of the most
wonderful girls I have
ever met. I will have
many fond memories
of you. Well we got
through the first
year of college
together. I hope you
will always
remember me as
your friend.

Dear Kay,

Since I moved here five years ago we've always been the best of friends. Oh, we've had our disagreements at times but every body has them. Remember how you, Puddin and Joan and I used to fuss in the eighth grade?

Remember us old to be writers? I'll never forget that you put in the sugar bowl at the Lucedale Drug Store? Will you? And remember the night you went with Glen and I went with Donald and we went to the Pair-yard? and don't forget the time we had a spent the night party at Mrs. Davis and stole (take down) highway signs and almost had to go to court?

Dear Kay,

You'll never know how much your friendship has meant to me. We've had some good times together and have lots more.

Lots of success and happiness in everything you do.

Margie

I guess the reason why we've always gone around together so that we have so much in common and like and buy almost the same things.

Oh yeah! Remember down on the coast last summer? You and Tommy and Stanley and I went to the movies and a roach crawled out of the bread and after we got back we went out on the pier?? Yep!! and when we got back to the cabin we put on our p.j.s.
